Container Grown Stock

We offer a limited quantity of choice Flowering Shrubs, Roses, Flowering Trees, and Evergreens. These prices are good while present supply lasts. The following stock are in 4 gallon cans, ready to go.

	EACH
126 Forsythia, fortunei, 3-4 ft.	\$1.00
100 Lilac, common, Purple, 2-3 ft.	1.25
108 Dogwood, White, Flo., 2-3 ft.	1.25
300 Magnolia, nigra, 2-3 ft., heavy clumps, part with buds....	2.50

10,000 Egg Cans, 4 gal. size \$10.00 per 100;

\$90.00 for 1,000. F. O. B. our nurseries.

All of the above stock is heavy clumps, stocky and have been in cans for 6 months to 1 year. Container grown stock has sales appeal, they look larger, you can set them anywhere, sell them while in bloom. They sell at 4 or 5 times the price of dormant, bare root plants. And, another thing we like about them they are always ready to go.
